## STRATEGIC INSIGHT: ORIENTATION - THE MISSIONAL MODEL

1. In John 17 Jesus prays - there are three things that he petitions the Father for. In a few words describe how you understand the concepts that he prays for:

IN HIM

IN UNITY

IN THE WORLD

2. In the **Missional Framework** we suggest that there are three primary agencies. Taking into account the framework of the model below how would you describe what it means to be a **Missional Individual**.

**Matt 5:13 -16**

*“Let me tell you why you are here. You’re here to be salt-seasoning that brings out the God-flavors of this earth. If you lose your saltiness, how will people taste godliness? You’ve lost your usefulness and will end up in the garbage. “Here’s another way to put it: You’re here to be light, bringing out the God-colors in the world*

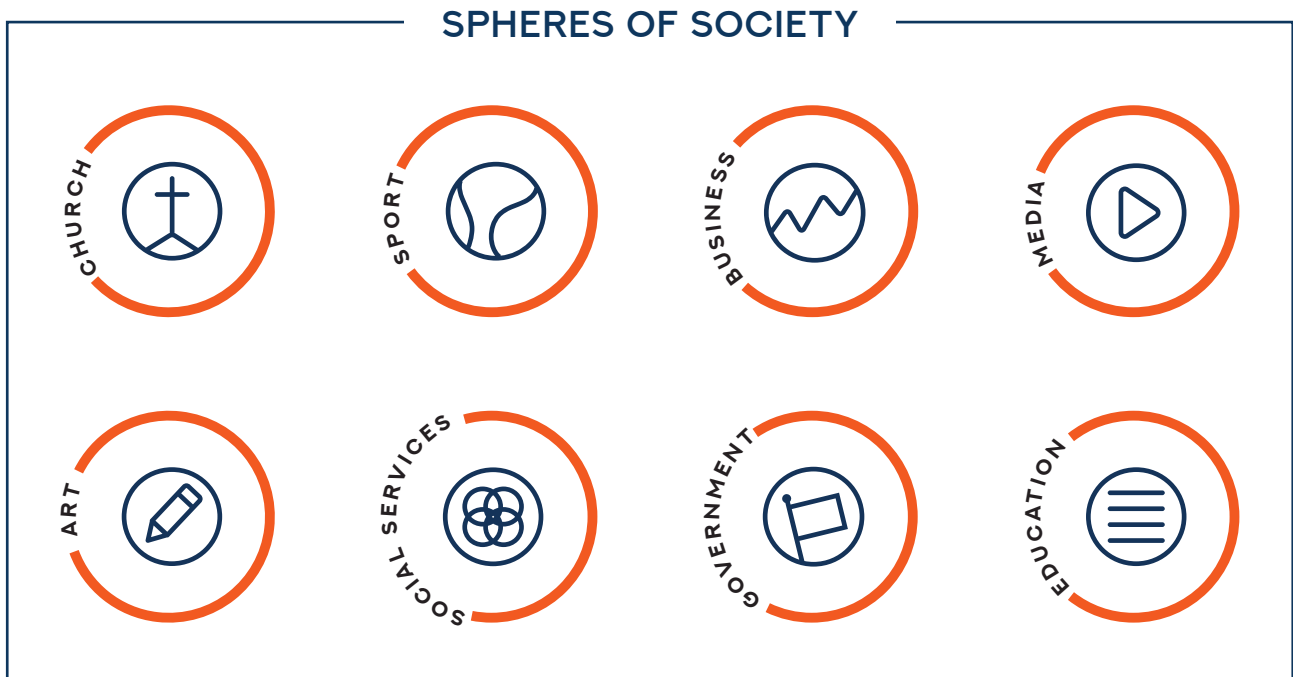

3. Taking into account the framework of the model below how would you describe what it means to be a **Missional Community in Education?**

*Eph 1:22-23 Message*

*At the center of all this, Christ rules the church. The church, you see, is not peripheral to the world; the world is peripheral to the church. The church is Christ's body,*

***IN** which he speaks and acts,*

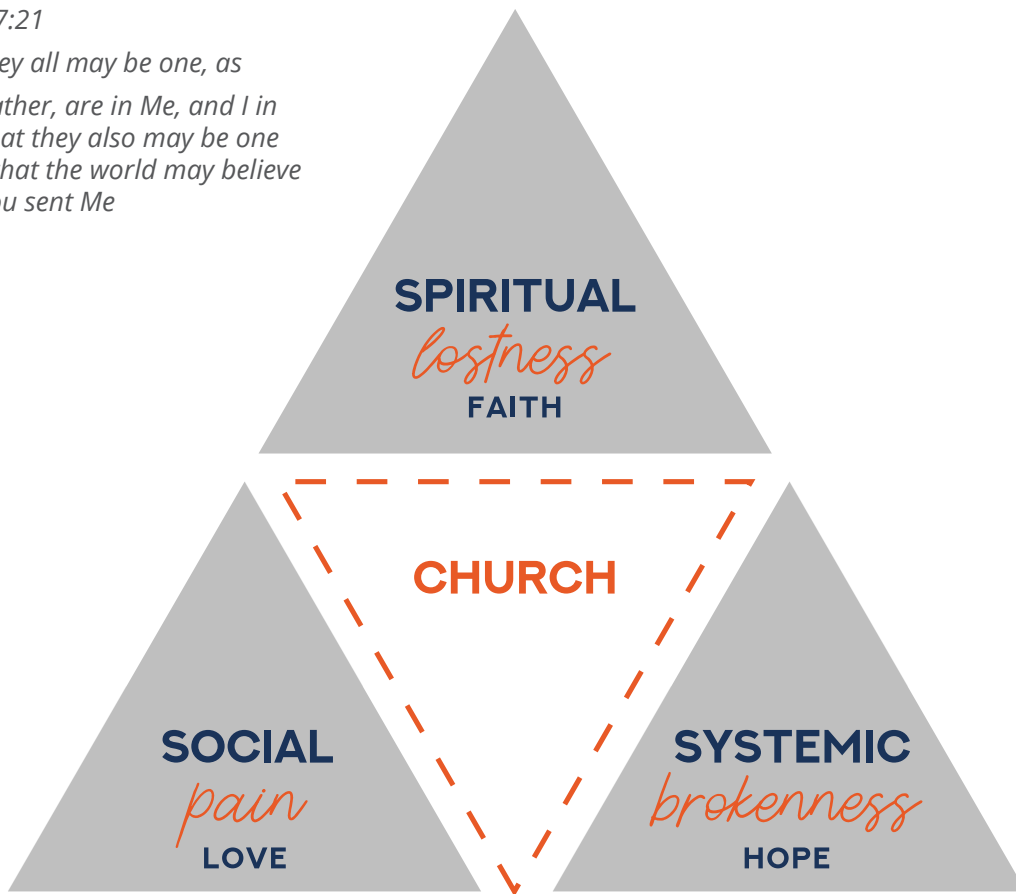

***BY** which he **fills everything** with his presence*

4. Taking into account the framework of the model below how would you describe what it means to be part of a **Missional Eco-system**:

*John 17:21*

*that they all may be one, as  
You, Father, are in Me, and I in  
You; that they also may be one  
in Us, that the world may believe  
that You sent Me*

5. Practically, how do you think you can give expression to the three primary elements of the mission ecosystem:

**CONNECT** — **creating unity** facilitate opportunities for leaders to discover, dialogue, and do life together.

**COLLABORATE** — **catalyzing action** identify goals that can be reached together.

**CELEBRATE** — **cultivating transformation** measure the positive outcomes and make it public
