

engage2elevate

Know me. Motivate me. Reward me.  
LET'S FLOW TOGETHER.

evergrow®

Helping solve the world's most urgent crisis.

# How Much Impact Can Each Member Create?

**5**

Trees contributed to every member every month

**Action**

**Minimum # of Trees Planted**

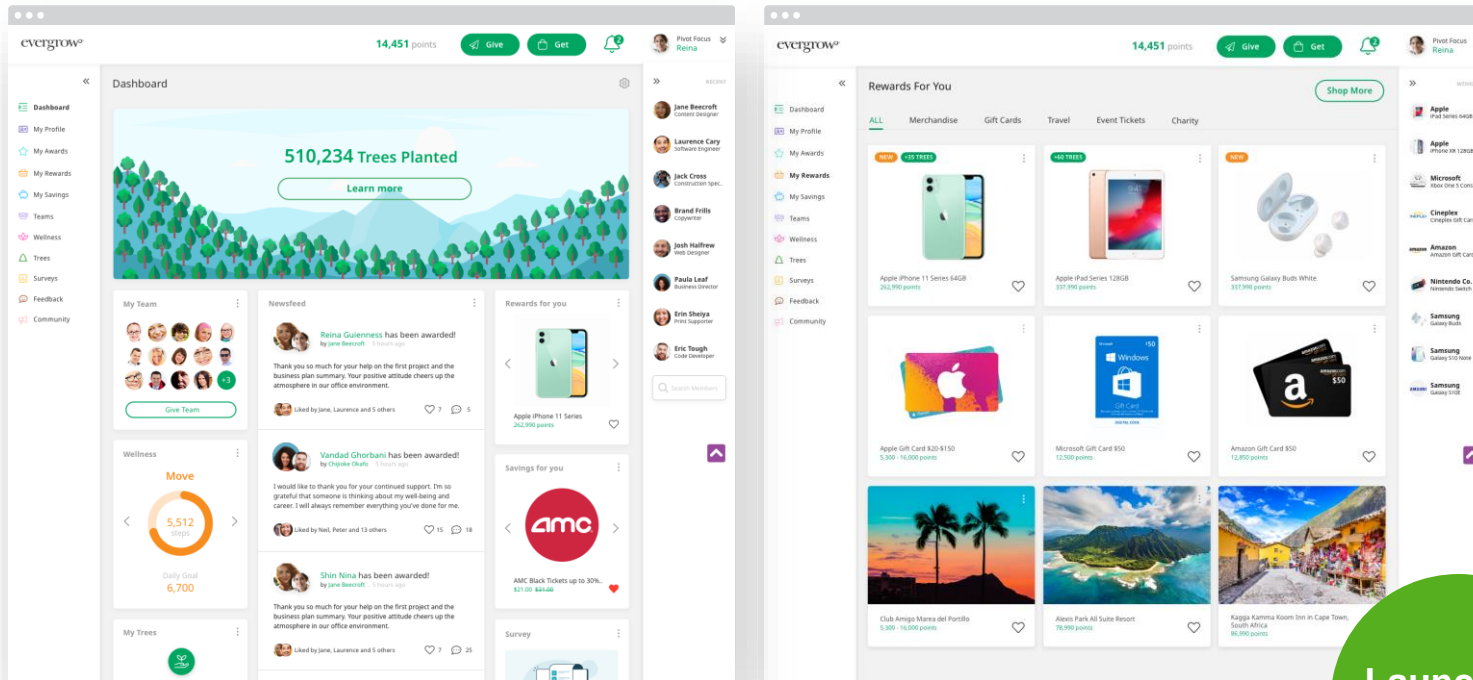

Evergrow Contribution	60
Gives Colleague Awards	5
Redeems Rewards	5
Joins Wellness Challenges	20
Finishes Company Surveys	5
Earns Badges	5
Birthdays	10
Anniversaries	10

Evergrow inspires employees to do great work that creates great change. Here are some of the many ways a member can build a thriving Evergrow forest.

# Create a Climate for Change

Rewards + Savings + Climate Action... our new engagement platform makes work more meaningful and your impact more powerful.

Launching in Q2 2020

Evergrow will contribute 5 trees for every member every month.

120

Trees funded annually per average member

We're partnering with Eden Reforestation Projects, a proven non-profit, to create new native forests in locations across the world.

- Nepal
- Indonesia
- Madagascar
- Mozambique
- Haiti
- Kenya

# Next-gen Performance Recognition & Motivation Engine

Launching  
in Q2 2020

Businesses thrive by empowering their people to change the world. Evergrow is a next generation employee engagement solution that transforms workplace motivation by using AI to create a one-to-one personalized engagement journey.

AI-Personalized  
Engagement

AI-Personalized  
Rewards & Savings

Evergrow Community  
& Tree Planting Tracker

Activity & Wellness  
Tracking

Surveys, Training &  
Feedback Participation

KPI & Goal  
Achievement

**Directly connect employee action to tree planting and forest conservation.**

Annual minimum  
funding commitment of

5,000,000

Trees

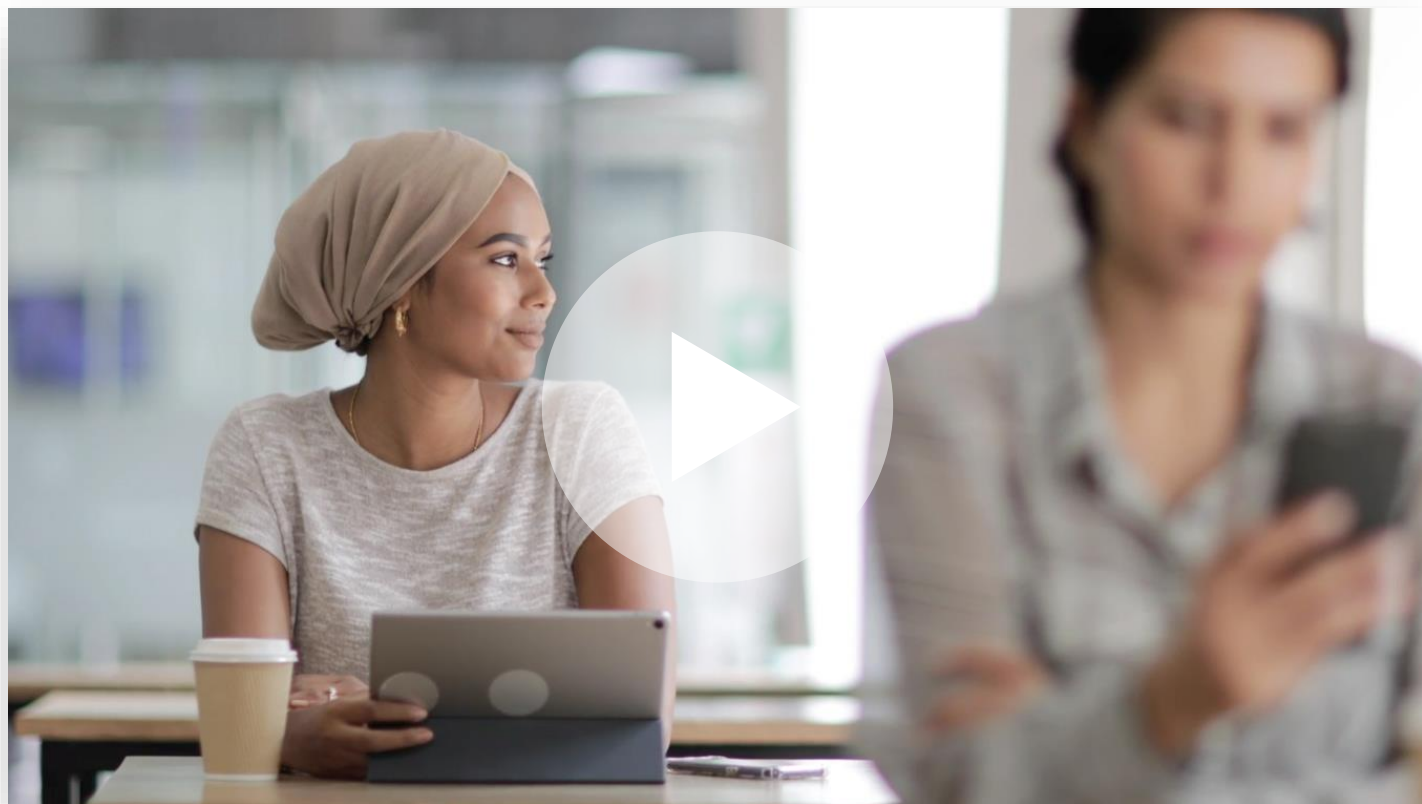

For every transaction, we'll fund the planting of 5 trees. In fact, we're planting 5 million trees in the next 12 months as part of our Evergrow global climate change challenge. And by using local vendor sourcing and delivery, we can deliver your rewards fast with no extra duties or taxes, and with a more responsible environmental profile.
