

Ethical Selling (Interviewing) For Exercise Professionals Course

Recommended Course Progression Schedule

This recommended course schedule is provided as a guideline to help you stay on track and complete the course within a reasonable time window. At Exercise Professional Education we recognize that it can be difficult to establish a disciplined routine when starting and working through on line courses – especially one as long as Ethical Selling.

The Course video content is approximately 23 hours long

The PDF Files need to be downloaded and put in a one and half inch binder so there will be some time taken to open, download, and print the section worksheets and place them in the binder.

The Section Quizzes will take approximately 5-10 minutes to complete.

Therefore it is recommended that from the day and time you begin the course (with the introduction Module) you plan on 8 weeks committing 4-5 hours per week to complete the entire course.

Week 1 – Course Introduction

Week 2 – Section 1 and Section 2

Week 3 – Section 3 and Section 4

Week 4 – Section 5 and Section 6

Week 5 – Section 7 and Section 8

Week 6 – Section 9

Week 7 – Section 10, 11, and 12

Week 8 – Section 13

There is a comment section at the end of each Section so please feel free to leave any thoughts regarding the course there.
