

# CAPABILITY STATEMENT

## COMPANY SUMMARY

Over 42 years of experience in the Transportation Industry. We are committed to providing the highest quality and most efficient service to our clients throughout the Ohio area. ABCD Transportation is a non-emergency medical transportation provider committed to on time transportation service. ABCD has the capacity to design transportation services around company needs, including transporting people and courier services.

## CORE COMPETENCIES

### Non-Emergency Medical Transportation

Our vehicles are safe, modern, clean and setup with senior customer in mind; easy entry and exit, comfortable seats plenty of window, climate controlled. We transport an average of 100 clients 24/7 daily, throughout Ohio. Plus, our drivers are CPR and First Aid certified. ABCD Transportation services carry passengers that need a ride to an appointment in which a non-emergency medical procedure will be performed such as, dialysis, optometrist/Lasik surgery, physical therapy, dental appointments, outpatient/day surgery and prescription drug pick-up.
