OVERVIEW

OBJECTIVE

Tapestry of Beauty Ministries represents the beautiful work God is doing in the lives of women. On one side our lives could look messy with pieces of thread entangled and disorderly.

However our lives are in the Master hands of God, and we cling to the truth that we partner with Him as He is weaving in us a tapestry that represents His beautiful majesty. You are precious and beautiful in the sight of God.

This group seeks to empower, encourage and help bring out the excellence that God has planned for you no matter the circumstances.

HOW

True transformation comes through our life by the precious word of God and union with Him. Romans 12:1 & Ephesians 4:23 teaches us that one of the ways we do this is through the power of Renewing the Mind.

We can find freedom through immersing ourselves with the truths of Gods Word.

We are committed to helping women and their families from around the globe find freedom in every area of their lives.

SUMMARY

After the message of God's saving grace, we believe removing the world's lies and renewing our minds to the mind of Christ is pivotal to lasting transformation.

With God's help and His ministry we aim to provide, studies, accountability, love and support to aid you in living free of strongholds in your life. Whether that is relationships, health, finances or just discovering who you are in Him we are committed to this mission to stand by your side.

How often do the studies run?

The studies run all year round with small breaks of devotionals in between. Our live bible chats via Zoom run continually throughout the year (unless specified).

What studies do you offer?

We host a number of bible studies by some of our leaders and also authors we support. Our studies all have the aim for renewing the mind in areas of health, loving others and loving God as well as a number of studies in the how's to renewing the mind and identity.

How can I sign up for the study?

There are two main ways. You can look for announcements for new studies in the Facebook group. But the easiest way is to sign up at www.tapestryofbeautyministries.com

Where can I get the study books?

Our books are available at main online book stores such as Amazon or Lulu but some are also available in pdf form. Visit www.tapestryofbeautyministries.com/resources for all the links.

SUPPORT GROUPS

Facebook Support Groups

Facebook is a great way for all our member to fellowship and remain accountable as we follow along with our studies. We have our main facebook group and then we have a number of small groups for daily accountability and support.

What is the difference between a small group/main group?

Our small groups are NOT a substitute for the main group, and they are not independent of Tapestry of Beauty. The small groups are led by Tapestry of Beauty leaders and facilitators. In the main group, you will have all the discussion posts & challenges, Friday accountability posts, encouragement from the entire group and also hear about important announcements.

The small groups give accountability daily. If you are completing one of our 'freedom from food' studies, you will be asked to post throughout the week whether you are renewing your mind and staying within your boundaries. In general mind renewal studies, the daily accountability will be

SUPPORT GROUPS

Why should I join a small group?

Our small groups were established to support members in a capacity that would allow for more dedicated personal support. We believe in the power of accountability whether that is one on one or in a small group it helps to stay on track on this journey and a great way to make lifelong friends. So join a group and get involved.

You can find out more information about how to join our small groups here:

How can I find the most relevant information in the main group?

Our group can get very busy with over 2,300 members; it can sometimes be challenging to find all the relevant information. Therefore we have created a 'Units'/'Learning' section which you can see along the tabbed section. Within the Units are all the most critical posts. If you are following our studies, all discussion posts are placed in there also.

Discussion posts you can be found these by entering in the search box the # tags for each study which can be found in the study packs.

You can also see our announcements section and also on our Facebook Page.

How much does it cost?

To attend zoom chats, it is entirely free for everyone to join. Tapestry of Beauty pays an annual fee to allow this service for as many women as possible, and we are very thankful to those members who contribute to enable this to happen. We trust God 100% for the provision. If you would like to give you can here: <https://www.paypal.me/tapestryofbeauty>

ZOOM CLASSES

Why Zoom?

Many may not be aware of all that goes on behind the scenes to plan and coordinate zoom chats but we have found it to be the best tool for us to use. We have at least 5 different hosts and we have to schedule several meetings and live classes a week. We have the added benefit to see all members with minimal connection issues. Many of the hosts love to teach visually and so the screen sharing options are a plus. There is a myriad of benefits these are just some.

How do I join a zoom meeting?

Depending on your device there are many ways to join. Watch this video to give you a step by step guide <https://www.youtube.com/watch?v=vFhAEoCF7jg>

What if I miss a zoom chat can I watch it later?

Of course! All our zoom chats are recorded and can be viewed at our replay page. www.sophiatucker.com/videos. There are many videos for free however to watch the class replays there is a small fee per video or you can become a monthly subscriber at just \$5 a month.

EXTRA HELP

Help! I am really struggling to stay the course?

We are sorry to hear you are struggling and we are here to help. If you have a small group leader please talk to them and don't do this alone. You can also contact any of the leadership team and who you feel most comfortable with.

We have many women come to us with many life issues and we do our utmost to respond swiftly.

Many of the leaders have been or are in a ministry/leadership capacity. We are here to help. However, we do ask that if you are dealing with a very difficult life situation that goes beyond every day struggles that you please contact us with 'confidential' in the title by email at team@tapestryofbeautyministries.com

I am behind on the study. I have joined late and everyone is ahead of me. Now what?

You may feel like you are behind but understand that time is in God's hands and you are not here by accident. God brought you here at this time on purpose. Don't allow your thoughts or what you see with your eyes make you not continue. Start off exactly where we are, and you can continue on with us to the end. We run these studies periodically throughout the year and you will get time to finish completely with us or in your own time.
