The Akashic Records or the "Book of Life" is the super-mainframe storage system where all information is stored on every soul. It can reach back to the infinite past and forward to the limitless possibilities in the future. The Records contain information on every thought, word spoken, and action that every individual has experienced since the dawn of Creation. It is a powerful system that is interactive and influential in our lives, Your Akashic Records hold deep wisdom on your relationships, belief systems, programming, and potential possibilities in the future.

The Records will provide you with an understanding of how the experiences of your past, both in this lifetime and past lives, are directly influencing your current life. The wisdom gained from the Records will bring clarity, healing, and empowerment to shift your circumstances and perspective in moving forward. The Records are unlimited.
