

“Veterans Deserve To Own”

VA Mortgage Loan 134 Day Optin

AutoResponder Series

I (Scot) do not, by any means, vouch for the quality of this series as I’ve barely reviewed it.

I don’t know where it originated other than I was told it was “good”. Use at your own discretion, it probably should be used to understand the sales process and edit creatively for your Loan Officer Clients for a nice premium (\$1k...)

It was a lot of work to collect and deliver, if you feel like sending Scot a beer for his hard work just [click here](#) to do so. He likes beer. =)
