# Blacksmithing for Beginners

## Mini Course

Created by Terran Marks for [BlacksmithHomeSchool.com](http://BlacksmithHomeSchool.com)

This course draws on over a decade of blacksmithing experience.

Mr. Marks learned to forge at the John C. Campbell Folk School in 2011.

He has been teaching blacksmithing beginners since 2016 at his shop, Brown County Forge.

His mission is to help people move from an interest in blacksmithing to hands-on experience.
