Panels:

Debra strongly suggests using **linen** panels vs canvas panels. Linen is a much better primed surface than canvas panels which draw the oil out of the paint. You will get much better end results with a linen panel.

- **Buy at least 3- 6x8 LINEN** panels. See Debra's supply list online at [debrahuse.com/supplies](http://debrahuse.com/supplies)

**Other Supplies:**

- Tissue (Debra prefers using Puffs 'tissue with lotion' from grocery for cleaning of brushes)
- Clorox wipes (for clean up of hands and palette)
