Recomendaciones de Sierra

✓ I suggest downloading the [FREE Conjugation Guide](#) so that you have all tenses handy.

Focus on one tense at a time for mastery.

✓ For example - conjugate 4-5 regular present tense verbs and use them in a sentence - (both written and spoken) Continue until you feel confident that you can conjugate 7 - 8 verbs, then move on to irregular present verbs.

✓ Follow this process with the tenses, as you see fit
