16:01:19 From MM : Good morning every one!

16:01:48 From RRW : Hi everyone 😊

16:02:05 From DH : Hi everyone from Devon

16:02:39 From EI : Greetings from Bulgaria.

16:02:56 From N : hello! this is R

16:03:31 From sweetpea : It's C not sure why it came up as sweetpea today!

16:05:33 From Admin : <https://courses.azizshamanism.com/p/magickal-membership-workshops>

16:06:15 From Admin : You can also purchase the workshop separately here <https://courses.azizshamanism.com/p/healing-guiding-protecting-children-vulnerable-adults>

16:06:59 From Admin : Peter's article <https://azizshamanism.com/update-new-threats-health-freedom/>

16:12:01 From S : Does 5G ramp up EMFs and therefore the spread of viruses?

16:12:28 From Admin : <https://azizshamanism.com/psionics/>

16:17:23 From A : What do you know or what can you tell about demonic or spirit attachments to the vax?

16:18:34 From Admin : Please type your questions in the chat and Carrie will ask Peter after he's finished speaking

16:19:02 From Admin : <https://azizshamanism.com/empowerments/reiki-grand-master-attunements/>

16:19:33 From LOC : What would be high zinc sources?

16:20:39 From SP : How do we combat or reprogram AI, seeing the YouTube video in the article, they have already launched and "seeded" us

16:20:42 From M : Can you please clarify why having sex with a vaccinated person can be detrimental to non-vaccinated persons? What if you fall in love with a vaccinated person; you just let them go because there is nothing that can be done to resolve the junk (bar the nanotechnology) in their body?

16:21:01 From N : is there any of your empowerments which is equivalent to your psionics shields?

16:21:07 From Admin : The Invisible Rainbow book talks about pandemics and EMFs <http://stop5g.co.uk/wp-content/uploads/2022/01/English-Summary-of-The-Invisible-Rainbow-A-History-of-Electricity-and-Life-3.pdf>

16:24:13 From LOC : My intuition was very strong and clear through Covid and I never felt fear. Having said that I tend on the side of naivety and trust humans on a personal level until it hits me that their intentions are negative.

How can I develop a stronger intuition on a daily basis?

16:24:18 From A : What is your view on going to the light after death? Some people say that you should avoid it, because otherwise you will be 'trapped'?

16:26:20 From M : In Europe, there is quite a lot of chemtrailing going on. What is the effect on us, our vegetables and how can we protect ourselves against this?

16:26:21 From SP : Great thank you!

16:26:38 From N : are the psionic plates suitable for the whole Family?

16:26:40 From S : Any idea how long we will have to endure this evil nonsense, and how we will transition out of this? What might be at the end of this global ordeal?

16:27:11 From Admin : <https://azizshamanism.com/solutions-for-s-proteins-and-nanotechnology/>

16:27:22 From S : Which herb is best that is neuroprotective with all the attacks?

16:29:10 From MM : Do you think we all need the AI neutraliser on the invincible psychic protection 2, or how do we know if we need it?

16:30:09 From LOC : Does charcoal help with detoxing heavy metals?

16:32:33 From M : There was a lunar eclipse yesterday, which i presume is the right environment for dark entitites to feast on us. How can you protect yourself against a possible entity latching on to you (even if you eat the right diet)?

16:34:46 From N : should one use the psionic plate every day?

16:39:00 From Admin : How effective is working with sacred geometry in our protection and healing practices? Is it best to channel our own geometries or use well known ones?

16:39:21 From GLR : Can you talk more about Ghosts - are there different types - like the emotional body compared to a soul who is earth bound

16:39:56 From MD : You just said that people are waiting for some big event, but it's never going to happen. How is bifurcation tying into this? Isn't bifurcation a big event that would free us from all the mind control?

16:40:46 From M : Did I hear correct Peter that you said that behaviour is affected by the vaccines? I see around me that people are getting more selfish, devoid of empathy and obnoxious. I feel that they are the enemy. How do I protect myself energetically against these vaxxed "humans"?

16:42:58 From MM : How would I protect myself from picking up the negative energies from being in a close, non-sexual relationship with someone who is on a lot of heavy medication? Feeding Nephthys to close the doors to bad stuff in the unconscious + what strong psychic protection will help until I am strong enough to be able to let go of the relationship?

16:43:21 From iPhone: How can we use crop circles for all sorts of benefits? Are their bad crop circles?

16:43:41 From A : What do you think will happen between the relation between children and their parents 'authority' when they find out their parents were led astray by the 'government' and were not as trustworthy as they hoped?

16:44:26 From Admin : <https://azizshamanism.com/bifurcation-raise-your-vibration-now/>

16:45:41 From MM : Can you draw the elhaz rune?

16:45:43 From LOC : Could I use a rose quartz circle stone nd draw the runes on it?

16:46:50 From TK : How do we get rid of those emotional bodies (ghosts) that are lingering around?

16:47:42 From M : You mentioned Peter that they are creating a new virus. What can WE do about this to stop this from manifesting rather than patiently waiting in a reactive state until the shit hits the fan once again?

16:49:08 iPhone How do we use megaliths that appear out of nowhere or the ones that have been there for a long time? Are these for wealth currents etc?

16:49:43 From M : Yes but then they block travel again etc and our movements generally. How can we stop this from happening?

16:50:09 From S : What about the mRNA threats in food, meat and plants? Is going organic enough? Or are all foods subject to this contamination?

16:50:58 From M : But isn't organic farming nonsense because the sky is full of chemtrails anyway?

16:53:18 From Admin : Dates to be confirmed, but provisionally shown here <https://azizshamanism.com/ultimate-healing-part-2-body-electronics-online/>

16:54:24 From Admin : <https://courses.azizshamanism.com/p/magickal-membership-workshops>
