Headline (120 characters)

Remember to show your IMPACT and/or skills.

Examples:

"Cybersecurity Analyst | Reduce ticketing issues by 30%"

"Cybersecurity Analyst | Splunk | QRadar | Python"

Use strategic keywords in your headline to get found by employers and recruiters.

Don't put "student" or "unemployed" as part of your headline.

Cover Photo

LinkedIn periodically changes the sizing, but 1584x398 pixels is the current size.

Profile Photo

Professional Headshot

Experience Section

Always show your impact with each employer.

The Skills section is a good place to list skills you have that are also keywords that a hiring manager would be searching for.

Articles on how recruiters find you on LinkedIn and what employers see when you apply.
