THE CAPTAIN

## Monument Park

We were so excited to head back to Yankee Stadium and our first visit to Monument Park! We were one of the first visitors there, so we were able to read the plaques and take photos. Lauren was really excited to see Derek Jeter's retired number. She wears #2 whenever she can when she plays. The Yankees won 2-0, so that was the perfect ending to the day!

Jay and Jayson were sledding in the back yard. They decided to try and go down the hill together on one tube. It went fine until they were almost at the bottom of the hill and then they fell off. They were having so much fun.
