

1) Select the item(s) that EVERY living cell has:

Choose all that apply:

- A. Nucleus
- B. Membrane
- C. DNA
- D. Mitochondria
- E. Ribosomes
- F. Chloroplasts
- G. Cell wall

2) Cells that do not contain a nucleus are called

---

3) True or False: Most prokaryotic cells are much larger than eukaryotic cells.

- A. True
- B. False

4) Cell walls can be found in which type of cells:

Choose all that apply:

- A. Plant
- B. Animal
- C. Bacteria
- D. Fungi
- E. Algae

5) Is hair made of cells?

- A. Yes
- B. No

6) Are teeth made of cells?

A. Yes

B. No

Key:

1. B, C, E
2. prokaryotes
3. B
4. C, A, D, E
- 5.
- 6.
