

1.

Down at the creepy castle nobody's ever home
Down at the creepy castle you're scared to be alone
You never know, you never know, you never know, you never know...

2.

What is about to happen? Your heart begins to thump!
What is about the happen? Then something makes you jump! BOO! Argh!
You never know, you never know, you never know, you never know...

Chorus

Run away there's a ghost behind me
Hide in here and it might not find me
Run away as fast as lightning
The creepy castle...it's so frightening!

3.

I look through a tiny keyhole too terrified to speak
I look through a tiny keyhole then something starts to creeeeaaak!
You never know, you never know, you never know, you never know...

Chorus

Run away there's a ghost behind me
Hide in here and it might not find me
Run away as fast as lightning
The creepy castle...it's so frightening!
