HOW TO CLONE YOURSELF

ROLE DESCRIPTION

Insert Role Name Here

Insert a quick overview of the company + role here. Consider what is your company all about? What is the role all about? Why is this an awesome role for the right person?

ROLE DETAILS

What will the person DO?

- Bullet that info here....

You can tee it up in one of the following ways:

- This position is perfect for you if...
- In the role of XXXXX you will...

Then list all of the awesome things the person in this role will do for you and your biz with a side of why it is awesome for them too.

METRICS/MEASURES OF SUCCESS BABY

How will you and your clone know he/she is successful in the role?

This is supercritical and so often overlooked by leaders, managers, and HR people around the world!
