ABOUT THE ALCHEMIST

BY SILVIA MORDINI

THE ALCHEMIST IS ABOUT BEING TRUE TO YOURSELF, REALIZING YOUR DREAMS BY FULLY LIVING YOUR MOST AUTHENTIC DESTINY & LOVING YOUR LIFE

The Brazilian born writer Paulo Coelho, Author of “The Alchemist” has changed the life of many people through his writings, including mine. The Alchemist published in 1988 and originally written in Portuguese has sold more than 65 million copies in 70 different languages.

I encourage you to use the lessons about life, love and purpose from this important book as guidance for your dream life.

THE STORY

"The Alchemist begins in the Andalusian region of Spain, where Santiago is a shepherd who dreams of traveling beyond the confines of his life.

However, he is content with his routine and takes comfort in caring for his sheep. Santiago is not prepared to abandon his entire life just to travel, until he meets a mysterious and magical man who changes his outlook.

The man tells Santiago that each individual has a **Personal Legend**, something that they truly desire, which is their **PURPOSE*** in life to accomplish."

Before Santiago sets off on his journey, the man tells him a story about a boy who seeks the secret of **happiness** from a wise old man. From the story, Santiago learns that while he should never lose sight of his destination, he should also enjoy the experience of getting there.

The Alchemist's main theme is finding one's destiny, being true to your purpose and living your dharma. It teaches that opportunities are constantly offered to you to manifest your happiest life. It is up to you to set the course for manifesting Your Best Intentions and embracing YOUR Personal Legend.

THE ALCHEMY OF

“When you are loved, you can do anything in creation. When you are loved, there's no need at all to understand what's happening, because everything happens within you.”

LOVE

THE ALCHEMY OF

- “You will never be able to escape from your heart. So it is better to listen to what it has to say.”
- “All you have to do is contemplate a simple grain of sand, and you will see in it all the marvels of creation. Listen to your heart. It knows all things, because it came from the Soul of the World, and it will one day return there.”

LOVE

"LOVE NEVER
KEEPS A MAN
FROM PURSUING
HIS DESTINY."

PAULO COELHO

THE ALCHEMY OF

- "When you are in love, things make even more sense, he thought."
- "My heart is afraid that it will have to suffer", the boy told the alchemist one night as they looked up at the moonless sky. "Tell your heart that the fear of suffering is worse than the suffering itself."

LOVE

"SO, I LOVE YOU
BECAUSE THE
ENTIRE
UNIVERSE
CONSPIRED TO
HELP ME FIND
YOU."

PAULO COELHO

THE ALCHEMY OF

"Remember that wherever your heart is, there you will find your treasure. You've got to find the treasure, so that everything you have learned along the way can make sense."
