

## Blues Scale in G - 1 Octave

Here is one octave of the Blues Scale in the key of G. When playing it, make sure you put your 4<sup>th</sup> finger on the C sharp (#) and the bring your thumb underneath onto the D.

1            2            3            4            ①            2            3

G            B $\flat$             C            C $\sharp$             D            F            G

Here is one octave of the Blue Scale in the key of G, ascending and descending (up & down). The fingering is the same on the way up as the way down. On the way down, when you get to the D, it's very important to make sure you put your 4<sup>th</sup> finger over the top onto the C sharp (#), otherwise you will run out of fingers to complete the scale.

1    2    3    4    ①    2    3    2    1    ④    3    2    1
