D did not provide the Documents to P on the reasons that

- a. the request are that the Documents are the subject matter of the **Criminal Action and the Oppression Action**,
- b. P **would have been provided** with copies of most of the Documents in the **Oppression Action**.
- c. D argued that **resources** utilised to comply with P's request will **interfere** with D's ongoing business operations.

D further argued that:

- b. P played **no role** or part in the management and **did not express any interest to participate** in the D's management.

- e. The Documents should not be provided to P, due to P's **mischievous conducts** in initiating the Criminal Action and the Oppression Action.
- f. P **did not provide a reason or purpose** for her request for the Documents.
