

ADVANCED PROPHETIC 203

INTRODUCTION

QUOTE

“Between the scribe who has read and the prophet who has seen there is a difference as wide as the sea. We are today overrun with orthodox scribes, but the prophets, where are they? The hard voice of the scribe sounds over evangelicalism, but the Church waits for the tender voice of the saint who has penetrated the veil and has gazed with inward eye upon the Wonder that is God. And yet, thus to penetrate, to push in sensitive living experience into the holy Presence, is a privilege open to every child of God.” - AW Tozer

COURSE PREVIEW

The heart of prophetic ministry is to both receive the word or thoughts of the Lord, and communicate them well.

We’ve already spent a fair amount of time learning how to discern the voice of God and how best to release the voice of God. In this course, Advanced Prophetic 203, you will learn about the prophetic call, the character development, and the ministries of the Minor Prophets. You will study:

- How they often speak to localized matters within Israel and the Jewish community rather than to world events
- God’s intentions in sending His prophets to carry His words of encouragement, consolation, motivation, and correction to serve Israel
- God’s leadership of Israel and the progressive revelation that He gives through the ordered ministries of the minor prophets (the importance of studying the minor prophets in chronological order)

I look forward to seeing you inside the course!
