SecureALL SCBA Locking System

MEETS NFPA 1901 & EN 1846-2 STANDARDS

The SecureAll® SCBA Locking System, exclusively manufactured by H.O. Bostrom, is a user friendly solution to storing SCBAs.

- No straps or clamps to snag on gear
- Easy access release handle in seat cushion for quick exit
- Secure fit holds SCBA bottles in all directions
- Adjustability to fit most SCBA brands

SecureAll® Retrofit Kit

- Fits all H.O. Bostrom SCBA seats
- Can be retrofitted into other seating brands
- Stores most U.S. and International SCBA brands and sizes

SecureAll® Wall Mount

- Safely stores SCBA inside cab or compartment

RestStop™ Backpad

- Adds back support when no SCBA is stored
- Folds back and out of the way when SCBA is stored
- Only available with SecureAll® SCBA Locking System

SecureAll® Electric Lockout

- Prevents SCBA removal until electric lock releases
- Can be released by parking brake
