Silver Brush Voyage Travel Brush Set

You can order the set of 4 brushes or just a #6 brush will do

Paper:

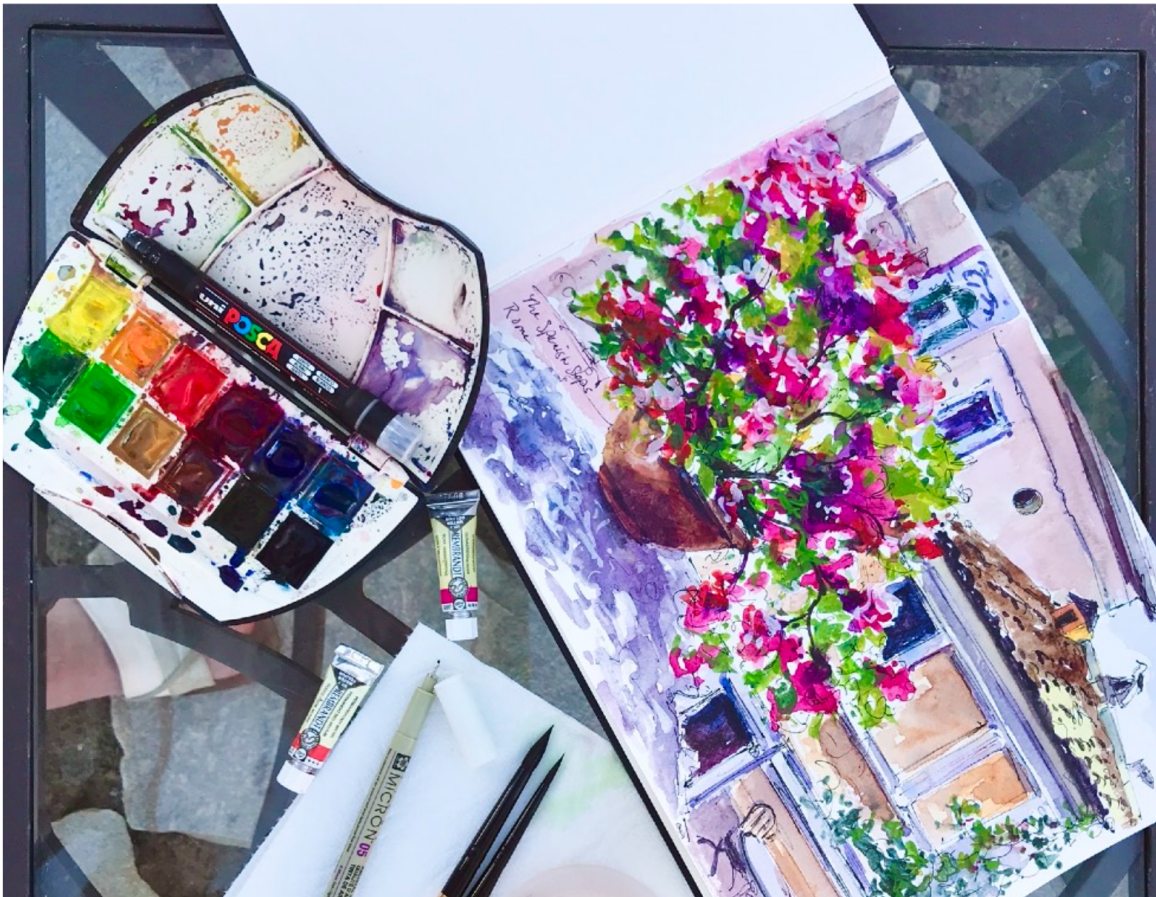

Watercolor hardbound journal

I prefer the Rembrandt watercolor sketching journal. It has 90lb or 200gsm paper. These numbers describe the weight of the paper. It's not too thick or too thin.

Each book contains 30 pages.

I am demonstrating on a 9" x 12" book in the landscape format.

I recommend my students get the more portable size which is 5" x 8" in the landscape format.

Ink Pen:

Micron permanent ink pen in .45 size

You also need a plastic water cup, water or water bottle and some paper towels.

You *don't* need a pencil, eraser or an easel:)
