

LESSON 11:

Do you want students to shine in your classroom based on who they are?

Do you want students to just follow the directions so that you can control the environment?

Do you want students to learn first?

How will you ensure that you assess students' true knowledge bias free?

Think about a struggle you had growing up, how do you use this life lesson to empower your students?

IN ORDER FOR STUDENTS TO TRULY BE MOTIVATED INTRINSICALLY THEY
MUST RECEIVE AUTHENTIC CHOICE.
