# IMITATION PART III

**SECTION 5 CLASS 8**

**PRACTICE STRINGING TOGETHER LONGER  
THOUGHTS BY IMITATING RANDALL PARK**

Print this out and write out the sounds how you hear Randall Park say them. Use this method of repetition and imitation from now on!

I came here to find you. The whole plane ride over here, I was trying to figure out how I could say this in some great way, but I couldn't, so I am just going to say it badly. I want to be where you are. I don't care where it is, I don't care what outfit I have to wear, I don't care if I have to eat a lot of tiny little things that I hate. I just want to be with you. I wanna make you laugh, I want you to call me out when I'm not pushing myself hard enough, I wanna have a lot of sex with you. I probably should've left the sex part out, I'm worried that I cheapened it. Anyway, I just, I wanna have a family with you. I want to spend my life with you. Even if it scares me. Even if I'm as scared every day as I am right now. So my question is this: Sasha Tran, can I hold your purse for you?
