- Xantico House

Organizations

- [United Plant Savers](#)- Non-profit dedicated to medicinal plant conservation. You should all join!
- [American Herbalists Guild \(AHG\)](#)- the professional organization of herbalists in the US. Remember, you don't have to be "AHG certified" to practice or call yourself an herbalist! You should all join on the student rate and get access to webinars, and more.
- [The Sustainable Herbs Program](#)
- [Herbalists Without Borders](#)
- [Herbal Mutual Aid Network](#)

Online Herbal Resources

- [King's American Dispensary](#)- searchable online copy of famous Eclectic Herbal Text
- [De Materia Medica](#)- a volume of medicinal plants, animals and minerals from AD 70.
- [A Modern Herbal by Maude Grieves](#)-an online version of the book, with traditional use and part used for hundreds of plants
- [Dr Duke's Phytochemical and Ethnobotanical Databases](#)-database of plant constituents and ethnobotanical uses
- [Herbcraft](#)- Herbalist Jim McDonald's website full of herbal links to herbal articles and blogs
- [Herbrally](#)- Website listing numerous in-person and online classes and more
- [Southwest School of Botanical Medicine](#)- Late Herbalist Michael Moore's website. Brimming with useful info on alcohol percentages for tinctures, info on Eclectic Medicine, articles, and more
- [Herbstalk Resource Page](#)- compendium of herbal resources
- [Henriette's Herbal Homepage](#)- one of the best herbal pages on the web with MANY herbal books (including very old one) scanned and searchable
- [Medical Herbalism](#)- herbalist Paul Bergner's website with so much herbal goodness
- [The Canon of Medicine](#)- By Ibn Sina/Avicenna, c 1025 AD
