

## Welcome to your Level 3 Certificate in Facial Electrotherapy

Thank you for choosing to complete your Level 3 Certificate in Facial Electrotherapy with Fakealicious Training Academy, endorsed by Proqual for an Ofqual regulated qualification. We would like to give a warm welcome and hope you enjoy the course. Electrical Facial treatments are explained in depth providing you with the relevant information and guidance needed to complete your assignment.

This manual is for the use of those training with Fakealicious Training Academy. It must not be sold or re sold for any other training purposes.

To complete your Level 3 Certificate in Facial Electrotherapy you will need to complete:

- 3x assignments
  - Health and safety
  - Client Consultation
  - Facial Electrical
- 4 x practical assessments

If you are carrying out the optional Level 3 Anatomy, Physiology and Pathology there are a further;

- 2x Assignments

When carrying out your practical assessments you will be assessed, you will receive face-to-face feedback on how your assessment went and receive a PASS or FAIL. If the assessment cannot be passed you will have an opportunity to come back and complete another assessment.

When completing your written assignment, this must be typed in a word document and as it is a level 3 Qualification it must be written in depth (around 1-2 paragraphs). You must answer the questions in the detail & in layman's terms, as if explaining it to somebody who is not in the industry.

Once your e-learning portfolio has been uploaded to the system and your practical assessment has been completed we can apply for your Ofqual certificate, please understand that this is a Qualification, therefore certificates could take some time to come as it goes through a strict signing off process.

- All assignments should be sent to [fakealicious\\_trainingacademy@outlook.com](mailto:fakealicious_trainingacademy@outlook.com) for marking.
