

INSPECTION & REFLECTION

#3

Answer the chapter questions below. If applicable, once complete, turn to a colleague that has chosen the same chapter and share your answers, notes, and thoughts.

Option: Report to larger group. (10 minutes)

#1. What are the advantages of getting to school at least 30 minutes early?

#2. Does greeting students at the door help create a positive vibe? Explain.

#3. The chapter seems to suggest that time invested in students is directly proportional to positivity in the classroom. Do you agree? Explain.

#4. Record a time when something you did for a student or students resulted in a positive outcome.

#5. What advantages do you see in the strategy of asking students to share the grade they want, the grade they can earn, and the grade they will probably finish with, before the school year even begins? Explain.
