

## Top 6 Cultural Differences Between China and West

<https://youtu.be/nfnQKXAmumw>

### Script

Dà jiā hǎo, huān yíng lái dào Tiān tiān Hànyǔ, wǒ shì Dèng deng.

A: 大家好，欢迎来到天天汉语，我是邓邓。

*Hello, everyone. Welcome to Everyday Chinese, I'm Dengdeng.*

Wǒ shì Crystal.

B: 我是Crystal。

*I am Crystal.*

Crystal, wǒ fā xiàn nǐ hǎo xiàng shòu le yì diǎnr.

A: Crystal, 我发现你好像瘦了一点儿。

*Crystal, I think you are a bit slimmer.*

Á, zhēn de ma? Tài gāo xìng le!

B: 啊，真的吗？太高兴了！

*Really? I'm so happy to hear that.*

Crystal, nǐ yǒu méi yǒu fā xiàn, Zhōng guó rén zài liáo tiān de shí hou tè bié xǐ huan liáo

A: Crystal, 你有没有发现，中国人在聊天的时候特别喜欢聊身材，胖了或者瘦了，但是好像很多外国人特别不喜欢这个话题。

*Have you noticed Chinese people like to talk about body shapes, if someone gained or lost weight etc., while many foreigners don't talk much about this.*

*Have you noticed Chinese people like to talk about body shapes, if someone gained or lost weight etc., while many foreigners don't talk much about this.*

Méi cuò. Jīn tiān, wǒ men jiù hé dà jiā lái liáo yi liáo Zhōng guó hé wài guó de yì xiē wén huà

B: 没错。今天，我们就和大家来聊一聊中国和外国的一些文化

差异。

That's right. Today, let's discuss some cultural differences between Chinese culture and other cultures.

měi bái

美 白

VS

měi hēi

美 黑

Chinese people like to whiten their skin.

People in the west like to get tanned.

A: Shuō dào shěn měi, wǒ jué de Zhōng guó rén jiù hé hěn duō xī fāng rén bù yí yàng. Zhōng guó rén jué de pí fū bái cái měi.  
人 觉 得 皮 肤 白 才 美。

When it comes to skin tones, I think Chinese people are very different from westerners. We think lighter/pale skin looks good.

B: Duì. Dàn shì hěn duō xī fāng rén gèng xǐ huan shài hēi tā men de pí fū.  
对。但 是 很 多 西 方 人 更 喜 欢 晒 黑 他 们 的 皮 肤。

I agree. However, most westerners like to get a tan.

A: Shì de. Qù hǎi biān lǚ yóu de shí hou nǐ huì fā xiàn: xī fāng rén dōu xǐ huan shài tài yáng, kě shì Zhōng guó rén dōu xǐ huan zuò zài sǎn xià miàn.  
是 的。去 海 边 旅 游 的 时 候 你 会 发 现：西 方 人 都 喜 欢 晒 太 阳，可 是 中 国 人 都 喜 欢 坐 在 伞 下 面。

Right. When you go to the beach, you will find most westerners like to be in the sun while most Chinese people are under the umbrellas.

B: Duì, tè bié shì Zhōng guó de nǚ rén men, tā men gèng xǐ huan zì jǐ de pí fū bái bái de, bú yào bèi shài hēi.  
对，特 别 是 中 国 的 女 人 们，她 们 更 喜 欢 自 己 的 皮 肤 白 白 的，不 要 被 晒 黑。

Right, especially Chinese ladies, they tend to want pale skin other than a tan.

A: Duì. Zhōng guó yǒu jù lǎo huà, jiào "yì bái zhē sān chǒu". Yì si jiù shì rú guǒ nǐ hěn bái,  
对。中 国 有 句 老 话，叫 “一 白 遮 三 丑”。意 思 就 是 如 果 你 很 白，

bié rén jiù huì jué de nǐ hěn piào liang.

别人就会觉得你很漂亮。

I agree. There is a saying in China that goes “1 Paleness covers 3 unattractiveness”, which means once you have a lighter skin tone, people would think you look more attractive.

Duì, suǒ yǐ Zhōng guó de nǚ rén tè bié zhù yì fáng shài. Xià tiān de shí hou, wǒ men zǒng shì

B: 对, 所以中国的女人特别注意防晒。夏天的时候, 我们总是在外面会举着一把伞或者戴着一个大帽子, 甚至穿长衣长裤。

That's correct. So Chinese women pay extra attention to sunscreen. In the summer, lots of us will hold an umbrella, wear a hat, or even wear long sleeves and long pants.

Yǒu de rén qù hǎi biān yóu yǒng de shí hou hái huì zài liǎn shàng dài zhè ge.

A: 有的人去海边游泳的时候还会在脸上戴这个。  
Some people might even wear this while go swimming.

Nǐ zhī dào zhè shì shén me ma? Nǐ huì zài hǎi biān dài zhè ge dōng xi ma ?

B: 你知道这是什么吗? 你会在海边戴这个东西吗?  
Do you know what this is? Do you want to wear this on the beach?

Huān yíng zài píng lùn li gào sù wǒ men!

A: 欢迎在评论里告诉我们!  
Tell us in the comments section.

Zhōng guó rén bù jǐn xǐ huan bái bái de pí fū, hái xǐ huan shòu shòu de shēn cái.

B: 中国人不仅喜欢白白的皮肤, 还喜欢瘦瘦的身材。  
Chinese people like not only pale skin, but also slimmer body shapes.

Duì, zài Zhōng guó, bù guǎn shì nán rén hái shì nǚ rén, dōu xī wàng zì jǐ shòu yì diǎnr.

A: 对, 在中国, 不管是男人还是女人, 都希望自己瘦一点儿。  
Yeah, in China, whether men or women, many of us like being slimmer.

Zhèng yīn wèi zhè yàng, Zhōng guó rén zài jiàn miàn de shí hou gèng xǐ huan liáo shēn cái.

B: 正 因 为 这 样, 中 国 人 在 见 面 的 时 候 更 喜 欢 聊 身 材。

Bǐ rú: “nǐ shòu le!” huò zhě “nǐ shì bu shì pàng le?”

比 如: “你 瘦 了!” 或 者 “你 是 不 是 胖 了?”

*And Chinese people tend to talk about body shapes quite often when they meet, like “You lost weight!” or “Did you gain weight!”.*

Dàn shì wǒ tīng shuō, jiàn miàn de shí hou liáo shēn cái, zài xī fāng shì fēi cháng bù lǐ mào de.

A: 但 是 我 听 说, 见 面 的 时 候 聊 身 材, 在 西 方 是 非 常 不 礼 貌 的。

*However, I heard that it's impolite to talk about someone's body shape in the west when people meet.*

Zhēn de ma?

B: 真 的 吗?

*Is that true, guys?*

Nà wǒ men wèi shén me bú huì jué de liáo shēn cái bù lǐ mào ne?

A: 那 我 们 为 什 么 不 会 觉 得 聊 身 材 不 礼 貌 呢?

*We don't think it's impolite to talk about body shapes, why is that?*

Yīn wèi rú guǒ bié rén shuō “nǐ shòu le”, shuō míng nǐ shēn cái gèng hǎo le; rú guǒ bié rén

B: 因 为 如 果 别 人 说 “你 瘦 了”, 说 明 你 身 材 更 好 了; 如 果 别 人  
shuō “nǐ pàng le”, shuō míng nǐ zuì jìn chī de hǎo.

说 “你 胖 了”, 说 明 你 最 近 吃 得 好。

*That's because if they say “You lost weight”, it implies you are in better shape; if they say “You gained weight”, it implies you have been eating very good food.*

Shì de, suǒ yǐ bú lùn bié rén shuō shén me, wǒ men dōu bú huì jué de duì fāng bù lǐ mào.

A: 是 的, 所 以 不 论 别 人 说 什 么, 我 们 都 不 会 觉 得 对 方 不 礼 貌。

*Right, anyway, we won't think they are rude.*

rè shuǐ

热水

hot water

VS

rè shuǐ

冰水

ice water

Chú le shěn měi shàng de chā yì,

B: 除了审美上的差异,

wǒ jué de wǒ men hé xī fāng rén zài shēng huó xí guàn shàng yě yǒu hěn dà de chā yì.

我觉得我们和西方人在生活习惯上也有很大的差异。

*Apart from differences in beauty, I think we have a lot of other differences in our daily lives as well.*

Shì de. Hěn duō xī fāng rén xǐ huān hē bīng shuǐ, shèn zhì shì zài dōng tiān de shí hòu,

A: 是的。很多西方人喜欢喝冰水, 甚至是在冬天的时候,

tā men yě hē bīng shuǐ. Rú guǒ nǐ zài cān tīng yào rè shuǐ, bié rén jiù huì jué de nǐ hěn qí guài,

他们也喝冰水。如果你在餐厅要热水, 别人就会觉得你很奇怪,

kě shì zhè zài zhōng guó què hěn zhèng cháng.

可是这在中国却很正常。

*Yes. A lot of westerners like to drink cold water, even in the winter. At a restaurant, if you ask for hot water, they might think it's weird. However, this is normal in China.*

Hǎo xiàng Zhōng guó rén yì nián sì jì dōu xǐ huān hē rè shuǐ, rú guǒ xià tiān tài rè le, wǒ men

B: 好像中国人一年四季都喜欢喝热水, 如果夏天太热了, 我们

jiù huì hē wēn shuǐ. Ér qiě wǒ men de shēn tǐ yǐ jīng xí guàn le hē rè shuǐ, rú guǒ tū rán hē

就会喝温水。而且我们的身体已经习惯了喝热水, 如果突然喝

bīng shuǐ, wǒ men de shēn tǐ jiù huì jué de bù shū fu.

冰水, 我们的身体就会觉得不舒服。

*Chinese people drink hot water in all seasons. If it gets too hot in the summer, we might drink lukewarm water. I also think we are so used to drinking hot water now, if we drink ice water all of a sudden, our stomach might not take it well.*

Méi cuò. Ér qiě nǐ yǒu méi yǒu fā xiàn Zhōng guó rén jī hū měi ge rén dōu yǒu yí ge

A: 没错。而且你有没有发现中国人几乎每个人都有一个人

bǎo wēn bēi, bǐ rú wǒ zhè ge jiù shì yí ge bǎo wēn bēi, yòng lái zhuāng rè shuǐ hé chá.

保温杯, 比如我这个就是一个保温杯, 用来装热水和茶。

Wǒ jué de mài bǎo wēn bēi de shāng rén yí dìng tè bié xǐ huan Zhōng guó rén.

我觉得卖保温杯的商人一定特别喜欢中国人。

Yeah. Have you noticed in China almost everyone has a thermos mug, like this one I have, I used it for hot water or hot tea. I think thermos mug merchandisers much like Chinese people a lot.

Wǒ men jué de hē rè shuǐ duì shēn tǐ hǎo, dàn hǎo xiàng quán shì jiè zhǐ yǒu Zhōng guó rén

B: 我们觉得喝热水对身体好,但好像全世界只有中国人  
cái hē rè shuǐ.

才喝热水。

We think drinking hot water is good for health, but it looks like only Chinese people drink hot water.

Shì de. Wǒ yǐ qián kàn guo yí ge shì pín, shuō de shì wài guó rén hē rè shuǐ de gǎn shòu,

A: 是的。我以前看过一个视频,说的是外国人喝热水的感受,  
tè bié yǒu yì si. Lǐ miàn dà bù fēn wài guó rén dōu jué de hē rè shuǐ gǎn jué hěn qí guài.  
特别有意思。里面大部分外国人都觉得喝热水感觉很奇怪。

Yeah. I watched a video before about foreigners' experience of drinking hot water, it was so funny. Most of the foreigners inside feel strangely drinking hot water.

Nǐ hē rè shuǐ ma? Nǐ yǒu shén me gǎn shòu ne? Huān yíng zài píng lùn li gào sù wǒ men.

B: 你喝热水吗?你有什么感受呢?欢迎在评论里告诉我们。

Do you drink hot water? What do you think? Let us know in the comments section.

wú xiàn jīn shè huì

无现金社会

Cashless society

VS

xiàn jīn shè huì

现金社会

Credit card or cash

Crystal, nǐ jué de Zhōng guó hé wài guó bù yí yàng de dì fang hái yǒu nǎ xiē?

A: Crystal, 你觉得中国和外国不一样的地方还有哪些?

Crystal, what do you think are the differences between China and other countries?

Wǒ jué de zuì bù yí yàng de jiù shì fù qián de fāng shì le. Xiàn zài jī hū suǒ yǒu de Zhōng guó

B: 我觉得最不一样的就是付钱的方式了。现在几乎所有的中国人都使用微信或者支付宝。

*I think one major difference is how we pay. Nowadays, almost all Chinese people use WeChat or Alipay to make payments.*

Shì de. Zài guó wài zhǔ yào shì shǐ yòng xìn yòng kǎ fù qián, yě huì shǐ yòng yì xiē xiān jīn,

A: 是的。在国外主要是使用信用卡付钱,也会使用一些现金,但是在中国,即使是不那么发达的地方,也可以使用微信或支付宝。

*Yes. Most other countries use credit cards or cash, but in China, even in small towns, you can use WeChat or Alipay.*

Xiàn zài wǒ men yǐ jīng bú ài dài qián bāo chū mén le, yí ge shǒu jī jiù kě yǐ jiě jué suǒ yǒu

B: 现在我们已经不爱带钱包出门了,一个手机就可以解决所有问题。

*Now in China, people don't even carry a wallet with them anymore, and a cell phone will take care of everything.*

Méi cuò. Yǐ qián, wǒ men chū mén de shí hou zuì hài pà de shì méi yǒu dài qián bāo; dàn shì

A: 没错。以前,我们出门的时候最害怕的是没有带钱包;但是现在,我们最害怕的是手机没有电。

*That's correct. Before, what I was afraid of the most was not having my wallet with me when I go out. Now, what concerns me the most is that my phone might go out of battery.*

Zài Zhōng guó, wǒ men zhēn de kě yǐ yòng shǒu jī zuò tài duō de shì qing le, bǐ rú:

B: 在中国,我们真的可以用手机做太多的事情了,比如:买东西、坐地铁、叫出租车,还有· · · · · ·

Because in China, we can do so many things with our cell phones, such as shopping, taking the subway, getting a cab, and...

mǎi jī piào hé dìng jiǔ diàn.

A: 买 机 票 和 订 酒 店。

Ah...buying plane tickets and booking a hotel room.

Zǒng zhī tè bié fāng biàn.

B: 总 之 特 别 方 便。

It is very convenient.

Shì de. Huān yíng dà jiā lái Zhōng guó tǐ yàn wú xiàn jīn shēng huó!

A: 是 的。欢 迎 大 家 来 中 国 体 验 无 现 金 生 活!

That's correct. Welcome to China to experience cashless life!

zuò yuè zi

坐 月 子

Sitting the month

VS

bú zuò yuè zi

不 坐 月 子

No restrictions

Shuō dào Zhōng guó hé xī fāng zài shēng huó shàng de chā yì, wǒ jué de “zuò yuè zi”

A: 说 到 中 国 和 西 方 在 生 活 上 的 差 异, 我 觉 得 “坐 月 子”

zhè jiàn shì yí dìng yào tí yí xià.

这 件 事 一 定 要 提 一 下。

When it comes to cultural differences between China and the west, I think we have to talk about “Sitting a month”.

Duì, kě néng yì xiē péng you bù zhī dào “zuò yuè zi” shì shén me yì si.

B: 对, 可 能 一 些 朋 友 不 知 道 “坐 月 子” 是 什 么 意 思。

Right, I don't think most people (in the west) know what “Sitting the month” means.

Nà nǐ hé dà jiā jiě shì yí xià ba! Shén me shì “zuò yuè zi” ?

A: 那 你 和 大 家 解 释 一 下 吧! 什 么 是 “坐 月 子” ?

Why don't you explain to us what “Sitting the month” is?

“Zuò yuè zǐ” jiù shì mā ma zài shēng wán bǎo bao yí ge yuè zhī nèi, bù néng chū mén,

B: “坐月子”就是妈妈在生完宝宝一个月之内,不能出门、  
bù néng chuī fēng, bù néng cháng shí jiān de kàn diàn shì huò zhě kàn shǒu jī, shèn zhì  
不能吹风,不能长时间地看电视或者看手机,甚至  
bù néng xǐ tóu hé xǐ zǎo. Wǒ men jué de zhè yàng duì mā ma de jiàn kāng yǒu hǎo chù.  
不能洗头 and 洗澡。我们觉得这样对妈妈的健康有好处。

*“Sitting the month” refers to after childbirth, the mother will just stay in for a month, cannot be exposed in wind, cannot watch TV or play with her cell phone for long, even wash her hair or take a shower. we think this has a lot of health benefits for the mother.*

Wǒ jué de yí ge yuè bù xǐ tóu fa yě bù xǐ zǎo shí zài shì tài kě pà le! Dàn shì xiàn zài,

A: 我觉得一个月不洗头发也不洗澡实在是太可怕了!但是现在,  
dà jiā de guān niàn hǎo xiàng yǒu yì xiē gǎi biàn.

大家的观念好像有一些改变。

*I think not washing my hair or taking a shower sounds horrifying! But people tend to think differently now.*

Duì. Xiàn zài de mā ma zài shēng wán hái zi yǐ hòu huì xǐ tóu , huì xǐ zǎo, jiā li yě huì

B: 对。现在的妈妈在生完孩子以后会洗头、会洗澡,家里也会  
kāi chuāng hu. Dàn shì gēn jù chuán tǒng, chǎn hòu de mā ma zhì shǎo yào zài jiā li xiū xi  
开窗户。但是根据传统,产后的妈妈至少要在家里休息  
yí ge yuè.

一个月。

*That's true. Now after child delivery, moms can wash their hair or take a shower. They will also open the window. However, as per the tradition, they will rest at home for at least a month.*

Péng you men, zài nǐ de guó jiā, shēng wán hái zi de mā ma xū yào xiū xi duō jiǔ ne?

A: 朋友们,在你的国家,生完孩子的妈妈需要休息多久呢?

*Dear friends, in your country, how long do moms rest after child delivery?*

fēn xiǎng

分 享

share food

VS

dú shí

独 食

eat from your own plate

Chú le qián miàn shuō de zhè xiē, Zhōng guó rén chī fàn de xí guàn hǎo xiàng hé xī fāng

B: 除了前面说的这些, 中国人吃饭的习惯好像和西方  
guó jiā yě bù tài yí yàng.

国家也不太一样。

*Apart from what we have discussed so far, China and the west also have different eating habits.*

Duì. Zhōng guó rén xí guàn dà jiā yì qǐ chī suǒ yǒu de cài. Kě shì zài xī fāng guó jiā, dà jiā

A: 对。中国人习惯大家一起吃所有的菜。可是在西方国家, 大家  
dōu shì zì jǐ chī zì jǐ pán zi li de cài.

都是自己吃自己盘子里的菜。

*That's true. In China, we are used to sharing all dishes. But in the west, everyone just eats from their own plate.*

Ér qiě Zhōng guó rén chī fàn yòng kuài zi, ér xī fāng rén chī fàn yòng dāo chā.

B: 而且中国人吃饭用筷子, 而西方人吃饭用刀叉。

*In addition, Chinese people eat with chopsticks, and westerners use knives and forks.*

Shì de. Zhōng guó rén yòng kuài zi hái yǒu hěn duō jiǎng jiū. Bǐ rú: nǐ bù néng yòng kuài zi

A: 是的。中国人用筷子还有很多讲究。比如: 你不能用筷子  
zhǐ rén, yīn wèi nà yàng hěn bù lǐ mào. Nǐ yě bù kě yǐ bǎ kuài zi chā zài mǐ fàn shàng,  
指人, 因为那样很不礼貌; 你也不可以把筷子插在米饭上,  
yīn wèi nà yàng bù jí lì.

因为那样不吉利。

*Right. And there are a lot of chopsticks etiquettes, such as, avoid pointing your chopsticks at someone because it would be impolite; do not leave your chopsticks stuck vertically in your food. Because it's considered unlucky (associated with death).*

huí jiā dǎ kāi lǐ wù

回家打开礼物

Open gifts after

VS

dāng miàn chāi kāi lǐ wù

当面拆开礼物

Open gifts right away

Zhōng guó rén hé xī fāng rén de bù tóng hái biǎo xiàn zài shōu lǐ wù de shí hou.

B: 中国人和西方人的不同还表现在收礼物的时候。

Chinese people and westerners are also different when it comes to receiving gifts.

Wèi shén me zhè me shuō ne?

A: 为什么这么说呢?

Why is that?

Zhōng guó rén shōu dào lǐ wù de shí hou, yì bān bú dāng miàn dǎ kāi , wǒ men jué de

B: 中国人收到礼物的时候，一般不当面打开，我们觉得

dāng miàn dǎ kāi lǐ wù bù lǐ mào. Ér xī fāng rén zài shōu dào lǐ wù de shí hou huì zhí jiē

当面打开礼物不礼貌。而西方人在收到礼物的时候会直接

dǎ kāi. Rú guǒ nǐ bù dǎ kāi, duì fāng huì jué de nǐ bù xǐ huan tā sòng de lǐ wù.

打开。如果你不打开，对方会觉得你不喜欢他送的礼物。

When Chinese people receive gifts, we usually won't open the gifts right in front of the people who gave us the gifts. We think it is impolite to do that. But westerners will open right away when they receive gifts. If you don't open your gifts right away, people might think you don't like their gifts.

Wǒ men yì bān bù xí guàn zhí jiē biǎo dá zì jǐ de qíng gǎn.

A: 我们一般不习惯直接表达自己的情感。

We tend not to express our feelings very directly.

Duì, Zhōng guó rén bù jīng cháng duì fù mǔ hé hái zǐ shuō "wǒ ài nǐ", yě hěn shǎo yōng bào

B: 对，中国人不经常对父母和孩子说“我爱你”，也很少拥抱

zì jǐ de jiā rén.

自己的家人。

True, Chinese people don't usually say "I love you" to our parents or our kids. We don't hug our family much either.

Wǒ jué de yǒu shí hou wǒ men què shí yīng gāi xiàng xī fāng rén xué xí xué xí.

A: 我 觉 得 有 时 候 我 们 确 实 应 该 向 西 方 人 学 习 学 习。

*Speaking of which, I think we should learn from western people.*

Qí shí xiàn zài yǐ jīng yǒu yuè lái yuè duō de Zhōng guó nián qīng rén yuàn yì biǎo dá zì jǐ de

B: 其 实 现 在 已 经 有 越 来 越 多 的 中 国 年 轻 人 愿 意 表 达 自 己 的  
qíng gǎn le.

情 感 了。

*Actually, more and more young people in China are not afraid to express their feelings.*

Shì de. Bǐ rú nián qīng péng you zhī jiān sòng lǐ wù, hěn duō rén dōu huì dāng miàn dǎ kāi

A: 是 的。比 如 年 轻 朋 友 之 间 送 礼 物，很 多 人 都 会 当 面 打 开  
bìng biǎo shì gǎn xiè.

并 表 示 感 谢。

*Yes. Just like many young people tend to open the gifts and say thanks in front of their friends.*

Duì. Wǒ jué de zhè jiù shì gè guó wén huà xiāng hù róng hé, xiāng hù xué xí de yì zhǒng

B: 对。我 觉 得 这 就 是 各 国 文 化 相 互 融 合、相 互 学 习 的 一 种  
biǎo xiàn.

表 现。

*Yes. I think that's an example of different cultures merging and learning from one another.*

Méi cuò.

A: 没 错。

*For sure.*

Hǎo le, nǐ hái zhī dào nǎ xiē zhōng xī fāng wén huà de chā yì ne?

A: 好 了，你 还 知 道 哪 些 中 西 方 文 化 的 差 异 呢？

*Do you know any other cultural differences between China and the west?*

Nǐ shēng huó de dì fāng yǒu shén me tè bié de wén huà xí sú ma?

B: 你 生 活 的 地 方 有 什 么 特 别 的 文 化 习 俗 吗？

*Are there any unique cultures where you live?*

Huān yíng zài píng lùn qū li gěi wǒ men liú yán huò tǎo lùn.

A: 欢 迎 在 评 论 区 里 给 我 们 留 言 或 讨 论。

*Feel free to leave your comments in the comments section.*

Rú guǒ nǐ xǐ huan wǒ men de pín dào, bié wàng le diǎn zàn hé dìng yuè.

B: 如 果 你 喜 欢 我 们 的 频 道, 别 忘 了 点 赞 和 订 阅。

*If you like our channel, don't forget to like or subscribe.*

Rú guǒ nǐ yǒu xué xí shàng de wèn tí, yě kě yǐ gěi wǒ men fā yóu jiàn huò zhě fā wēi xìn.

A: 如 果 你 有 学 习 上 的 问 题, 也 可 以 给 我 们 发 邮 件 或 者 发 微 信。

*If you have any questions regarding learning Chinese, you can also e-mail us or WeChat us.*

Hǎo le, jīn tiān de kè jiù dào zhè li le, wǒ men xià cì zài jiàn!

B: 好 了, 今 天 的 课 就 到 这 里 了, 我 们 下 次 再 见!

*Okay, that's it for today. See you next time!*

Zài jiàn!

B: 再 见!

*Bye!*
