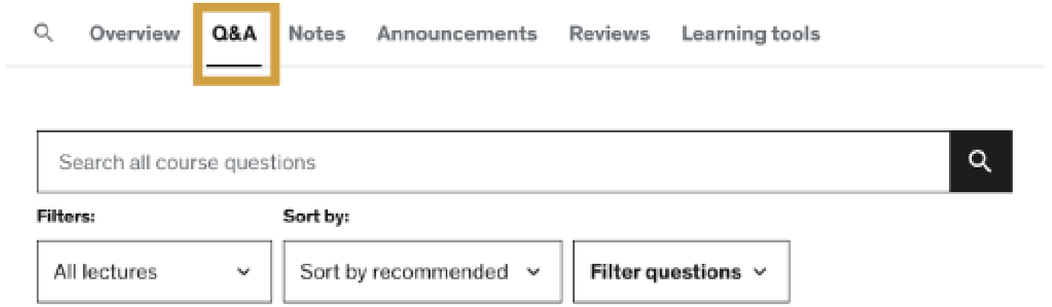
To access the Q&A, click the Q&A icon below the course player.

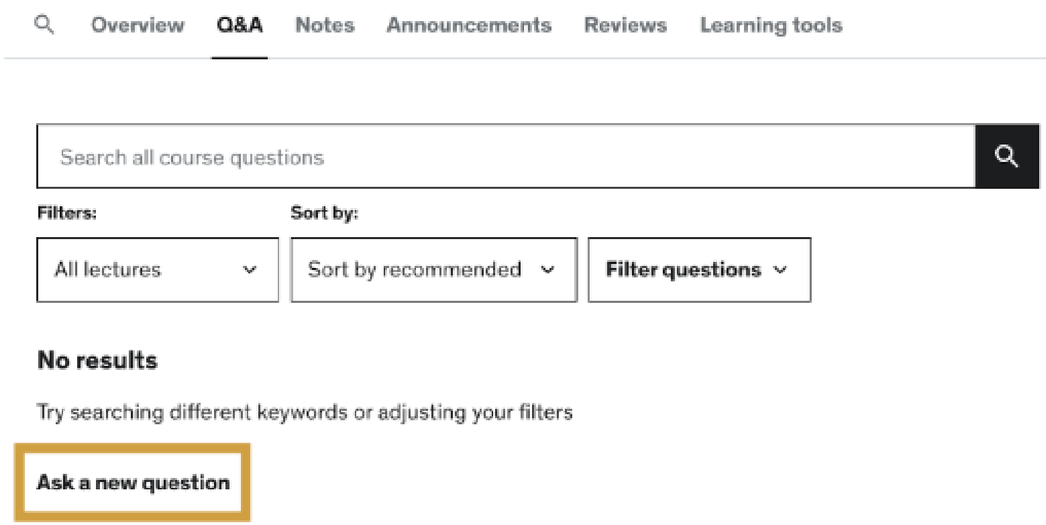


Type your question in the **Search all course questions** option, and questions and answers containing the same words will also be included.

You can also use the different dropdowns to help you find the information you're looking for.

## How to ask a new question

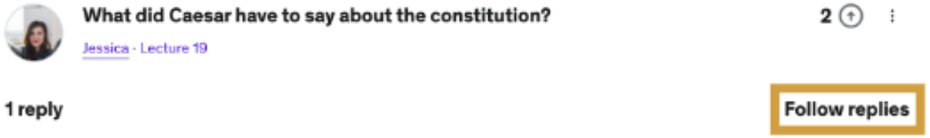
If your question has not been asked, click **Ask a new question**, and follow the instructions to submit your question.



©AIGPE™ | Kaizen Event Specialist | Access Full Course via: https://linktr.ee/aigpe

## Follow a question and its responses

You can prioritize questions and responses you wish to monitor in the Q&A. Click on the question, and then click **Follow Replies**. You will receive a notification when a student or instructor responds.



To stop following a question and the thread of responses, click **Following Replies**.

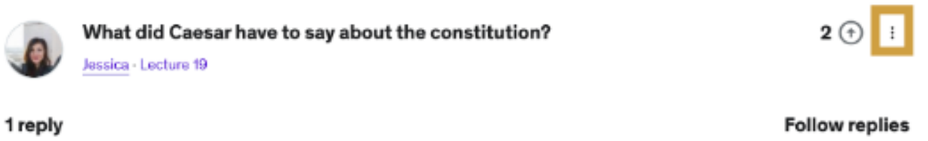
## The instructor's availability

When asking a question, be sure to see if the course instructor has posted their availability in the Q&A and when you can expect an answer.

## Edit or delete your question

To edit or delete your question, click on the question, and then click on the three dots that appear at the top right of your post.

**Please note:** The instructor, teaching assistant, or learner who posed the question can delete the post.



## Report abuse in Q&A

If you see a question or reply that violates our rules and guidelines, click on the question, and then click on the three dots that appear at the top right of your post.
