

## Fun facts about your instructor:

1. I have a cat name Sam.
2. I have lived in three states in the past two years.
3. I set a goal to read at least two books a month.
4. I used to think I wasn't a "math person" but then I realized there is no such thing! Math is for everyone- it just depends on how you approach it.
5. I love dinosaurs- my favorite is the Apatosaurus.
