BSR starts the session with his energetic **Signature Move** "Shake your body and say YES" The Philosophy and the Think Rich India Mission. He also shares day 6 topic as "The Science behind Law of Attraction".

BSR Sir reveals the fact of Law of Attraction (LOA) as “**I Am Responsible**”. That means anything that is happening in our life, we are responsible and anything we desire in life but fail to achieve or receive, again we are responsible.

BSR Sir shares the great news of the day that we have respected Khan Sir as chief Guest and will honour him with “**The Greatest Contributor of India**” award for his contribution towards society and towards Nation as a great and amazing Teacher.

***“IF YOU SUPPORT THE WORLD SELFLESSLY, THE WHOLE UNIVERSE SUPPORTS YOU ENDLESSLY”***

In the previous session, BSR Sir shared how to train our Subconscious Mind. We can not delete old beliefs from our subconscious mind but we can add new programming into it. BSR Sir also explained about the Law of Attraction and how it works.

Law of attraction says that our subconscious mind can attract anything and everything.

When we focus on something we get results out of it.

**Where focus goes, energy flows, FOCUS=RESULTS**

**Words are Powerful:** BSR Sir always reminds us of the power of words. Words are very powerful so we should speak only what we want to attract in life, stop criticizing ourselves and the people around us.

BSR Sir very beautifully explains the meaning of celebration and the celebrity. **A Celebrity is the one who celebrates even without a reason.**

Sir shares his experiences of celebration and recalling small punchlines that keeps reminding him to face the challenges, criticism and still celebrate in all stages of his life.

One of the punchlines by his teacher that motivated him to face the audiences and improve public speaking skills is **“Keep going on the stage, people will salute you one day”**

Sir shares experiences of his mountaineering journey when he had fever and the guided motivational punchlines **“One More Step”, “Fever is in the Mind” “You still have the Power, you will climb”** aided in the journey. Such powerful words like “One More Step” boosted his energy and will-power so strong that climbing the impossible heights became possible. BSR Sir also shared his inspirational cycling journey experience “Pedal For Change”

### EVOLUTION OF THE COMMANDO TRAINING JOURNEY

BSR Sir explained that our Subconscious Mind is by default lazy, hence it constantly gives excuses of not doing any work. The Conscious Mind gives command to the Subconscious Mind. When we keep a morning alarm and it rings, our Conscious mind is weak at that time and the Subconscious Mind commands the Conscious Mind to keep an alarm on snooze. This is most of our story.

To Program The Subconscious Mind, BSR Sir thought and came up with an idea. He made a group of 50 people and decided to start a challenge of getting up at 4 AM, reading books, watching inspiring videos within the group for 90 days and the special Challenge is named as The Commando Challenge. Sir was surprised to see this work and repeated with more batches.

BSR Sir says he could achieve success in getting up early by programming the Subconscious Mind with the power of SANGAT AADAT & GURU.

“**SANGAT**”(company) is a group of positive like minded people, “**AADAT**” (habit) of performing the daily rituals with the “**GURU**”(teacher) in his guidance to achieve a common Goal. This is how Commando Training has evolved to transform the lives of the people under the guidance of the Pioneer Guru BSR Sir.

BSR Sir happily and proudly announces the attempt of the **World Record on 5th of September**, on the Teachers Day where 2.5 Lakhs of viewers must watch within 1 hour of time. Sir requests all his people to support him in the mission and share with maximum people.

BSR Sir explains how Goals can be achieved by learning the Science behind the Law of Attraction.

When the subconscious mind is in proper alignment with the conscious mind, we get results. We have 24 hours in a day. Daily if we dedicate 1-2 hrs for our subconscious mind and the rest 22-23 hrs for the conscious mind, the desired results can be achieved very easily.

#### **Law Of Attraction Transforms Life:**

BSR Sir explains the goal achievement process using the Law of Attraction. Set goals, program your Subconscious Mind and focus on implementation. The whole universe helps you achieve it.

BSR Sir shares examples of visionaries like Ratan Tata and Elon Musk, who made everything possible with absolute clarity and a focused approach to achieving their Goals.

Suggested film by BSR Sir: **“Heal”**

Suggested book:

**“You Can Heal Your Life” by Louise Hay**

### **Energy = God = You**

BSR Sir explains the **Law of Energy from Quantum Physics**. Energy can neither be created nor be destroyed, it can only be transferred. Energy is only one. God is energy( $E=1$ ), You are also energy, that means **You are God**.

Sir demonstrates experiments using hands to experience the electromagnetic field of energy.

### **LAW OF ATTRACTION - Everything Can Shift with the 4 Pillars**

The Law of Attraction works with the 4 important Rules(Pillars):

- **Convert your desire into the Burning Desire.**
- **Hope and Faith.**
- **Absolute Clarity.**
- **Zero Doubt.**
