

Let's Color

Markers

Stampin' Blends

Watercolors

What Ink do I use?

I love the simplicity of Watercolors

Watercolor Pencils

141709

Price: \$16.00

Blender Pens

102845

Price: \$12.00

**Whisper White 8-1/2"
X 11" Cardstock**

100730

Price: \$9.75

**Jet Black Stāzon Ink
Pad**

101406

Price: \$10.00

- If I am coloring, I use Whisper White Cardstock
- To create backgrounds and other techniques, you may want to use watercolor paper and Aqua Painters

Aqua Painters

103954

Price: \$17.00

Watercolor Paper

122959

Price: \$5.00

But oh the colors of Stampin' Blends

- Alcohol Markers need a different ink to stamp your images
- The blends come in sets of two ... light and dark of each color.
- I used 12 pens to color my squirrel.

Stampin' Markers

- These come in all the same ink colors as the ink pads and are super easy to use.
- You will want to use Stazon as your ink pad for your image.
