

Hello and welcome to our **Reiki to Combat Darkness** class!

I am so happy to have you join us on this Reiki Adventure. It is no coincidence that you have found us and have decided to take this class. You are being called to be a light in this world and to help combat darkness in all forms.

Reiki is an awesome tool that can shine through negativity, dispel it, and leave a healed space full of love and light behind.

Reiki is pure love and light at its most basic and yet powerful form. It is magical and all knowing. It can heal any situation and bring about the greatest good no matter how dire something may seem. There are so many uses for it. You can get as creative as you like or stay sweet and simple. The healing energy is exactly the same. We as Reiki Practitioners are vessels for this healing energy to come through. What is so special about this is that we don't need to worry about how good of a practitioner we are, how much we know, or if we are doing something correctly. All that we have to do is stand up, let go and allow Reiki to shine through us.

This class will teach you how to free yourself from any kind of darkness. You will be given the tools to protect yourself, identify and heal any dark or negative situation. It is my hope that you will take your new found knowledge and share it with others. The World needs bright lights that are able to see through the dark.

Set your ego, fears, and limiting beliefs aside. Trust yourself and allow Reiki to shine a light through you to the rest of the world.

I am so excited to be able to share with you just how limitless the powerful energy of Reiki is. Let's get busy and start shining through the darkness together.

Sending love to you on this journey,

Justine Melton
