

LIVE THE CHINESE LANGUAGE

Vocabulary List:

Write a To-Do List in Chinese

Hi 您好!

I'm so honored to you've joined us in the *"Live the Chinese Language Challenge."*

That fact that you're here tells me that you're ready to put learning Chinese into practice and embrace the joy of living the Chinese language. Even if it's not your native language.

I know some of you may be completely out of your comfort zone, and it may seem impossible. But trust me, this is one of the best ways to **improve your child's Chinese learning progress quickly**, save money and time, and your family will enjoy it a lot.

During this 5-day challenge, feel empowered by receiving all the resources and support to make it possible.

Let's do this!

Po Tim King
