

Attribute match and grids : CAT 14

Five friends Amol, Mandar, Piyu, Shashi and Reena attended Sagar's birthday party, where they partook of the sumptuous snacks and dinner. Each of the five friends gifted Sagar a different article - a fountain pen, a cellphone, a shirt, a jacket and an I-pod and Sagar, in return, gifted each of them a different article- a video game, a sweater, a perfume, a calculator and a pair of sunglasses. The following additional information is known about the gifts given by the friends and the gifts received from Sagar.

Amol gifted the Shirt and received the video game in return. Shashi did not gift the I-pod but received the perfume in return. Mandar did not gift an electronic item and received the calculator in return. The person who gifted the jacket received the sweater in return and Reena received the pair of sunglasses.
