

# SCHOLARSHIPS FOR CANADIAN STUDENTS

How to find more money to  
pay for your studies

Let's go!

# COURSE OUTCOMES

01

Save tons of time searching for scholarships

02

Give structure to your scholarship application process

03

Stay organised and meet all your deadlines

04

Prepare for each semester's scholarship deadlines ahead of time

05

Schedule the work on your scholarship applications around your courses and assignments

## **EXAMPLE STUDENT: BACHELORS OF SOCIAL WORK, UNIVERSITY OF MANITOBA**

- 6 sessions of 1:1 coaching over 1 month (August)
- List of 24+ scholarships student is eligible for
- Have all applications submitted or prepared for deadlines up to December
- Potential for thousands of dollars of scholarship money
- Spend the semester focused on studies until it's time to prepare for January
- This course takes you through the same steps!

# COURSE BENEFITS

I've aimed to make this course as accessible as possible.

## Self-Paced

Complete at your own pace.

Go back to lessons as needed as you work on your scholarships.

## Affordable

Costs much less than 6+ 1:1 coaching sessions.

Lessons are nearly identical.

## Videos

Adjustable speed.

Go through each step of the process.

## Transcripts

Read along with videos.

Use as a reference as you work on your scholarships.

## Questions

Opportunity to submit questions in each lesson.

# COURSE OVERVIEW

01

Basic info on student funding & types of scholarships

02

Create your own customised scholarship list

03

Expand and build your customised scholarship list

04

Craft excellent scholarship applications

05

Maintaining your list and organising your applications
