

What you can learn

In this workshop, you can learn various sashiko techniques while stitching 4 basic sashiko patterns. We'll start stitching the straight lines with Gushinui, and then three more basic patterns in order.

You can learn

- how to hold the needle
- how to use the thimble or not to use the thimble
- the tips to stitch beautifully
- how to start and end stitching without knots
- The proper way of storing sashiko threads and so on!

Gushi nui
1. ぐし縫い

Jyuji tsunagi
2. 十字つなぎ

Yabane
3. 矢羽根

Dan tsunagi
4. 段つなぎ
