

Work Out Your Net Worth

- Add up all your assets (Not a car – That's a liability& you must own house outright)
- Add up cash and savings
- Subtract your debts
- Then write your number down

My Assets: (PLUS) _____

My Cash & Savings: _____

Total: (MINUS) _____

Debt: _____

Your Net Worth: _____

(if it's negative write the amount with a negative sign)

How does this make me feel?

What does this say about me as a person?
