

BEST OF THE 60'S

MYSTERY SERIES BY MICHELLE RENEE HIATT

SERIES INFO:

This is a Mystery Quilt series intended for my followers and will be a **Technique Building Series for the Star 60 tool**.

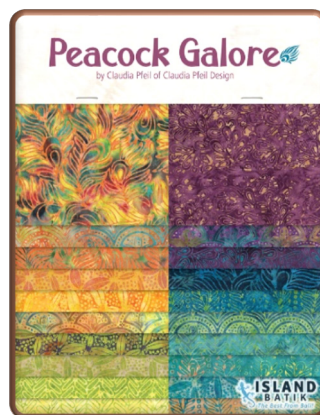

- Each week will take you **step-by-step through all the fabulous units and blocks** you can make with this tool. There will be over 24 techniques shared throughout the length of the series.
- Multiple Membership levels are available for this series for nominal fees.
 - **For both Membership levels, the earlier you enroll in the series, the lower the price.**
 - Since there are a lot of new techniques with this Mystery, the **Clue & Class Membership will offer weekly step-by-step online videos that can be watched repeatedly, whenever you like.**
- As always, each week, the **Blog will feature a mini-pictorial** and a couple quick tips for each week's block(s) and remain online. However, the Blog will not have the detailed measurements, those are in the Clues and **the Clues will only be available through a membership.**
- **Recommendation:** For those needing/wanting additional help, I highly recommend the Clue & Class Membership Option which will give you that extra help with step-by step guidance.

CLUES & DATES:

- **The Clues, providing construction steps, will be released weekly on Friday afternoon. The estimated start date is December 4th.** This may be delayed a week, depending on when the fabric is delivered to the Quilt Shops.
- There will be **24 Clues including the reveal.** The series will run for 24 active weeks.
- Clues to be released by 4pm Eastern, on Friday, except for Christmas and New Year's week. They will be released on Saturday, December 26th and Saturday, January 2nd.
- **The Clues will provide the construction task for the week, with step-by-step instructions.**
 - Each week, the Clue should take the average quilter 2-3 hours.
 - On the last week, and in Clue #24, you will get the final construction steps and the mystery will be revealed.
- **The clues are for personal use only and are not to be shared.**

Let me state this up front. Mystery Quilts are not for everyone. If you are a person who needs to know how the quilt is going to look upfront, this may not be the project for you.
