### **NOTE**

Most Olympic Games sports are all Depicting Signs such as swim, run, javelin and shot put as your tutor showed you in the video.

What other sports can you write down and sign?

Most musical instruments are also Depicting Signs. Your tutor showed you piano, guitar, trumpet and flute.

What other musical instruments can you write down and sign?

Some animals can also be Depicting Signs such as monkey and elephant. Do you know any more?

Everyday things are also Depicting Signs – one movement that fully describes the action. Think about at home; brush teeth, brush hair, drink, eat, ironing, vacuuming. Can you think of more?
