SILENT ART AUCTION

Would you like to admire Michael Prizeman's beautiful artwork hanging in your house? Take home a unique, one-of-a-kind souvenir from today's concert by entering a bid in our silent auction during interval at today's concert. The winner will take home the art created during today's concert (after the paint has dried!). All proceeds will go toward the band to help us purchase sheet music and percussion instruments for upcoming performances.

MEET THE BAND TODAY

Join us in the foyer after today's concert to meet the members of the Monash Concert Band and Music Director Ingrid Martin to talk about what you thought of the art and the music and see the instruments of the band up close!

FOYER EXHIBITION

The members of the Monash Concert Band are a multi-talented talented bunch. Not only do they play wonderful music, they create beautiful works of art. Take time to wander around the foyer and see the artwork created by our musicians - from textiles, to photography, to drawings and everything in between.
