

STEP	ACTION PLAN	
1	Create a 'Property Presentation' folder to keep all of this and your information on hand.	<input type="checkbox"/>
2	Set Up 'Property Alerts' with www.realestate.com.au and www.domain.com.au . Make sure the alerts are based around 'like' properties to yours in your local area. Both websites provide easy to use instructions to set this up.	<input type="checkbox"/>
3	Speak to family & friends who have been through the experience of selling their property.	<input type="checkbox"/>
4	Find out what your local real estate press is and when it is delivered. Use the open for inspection information and diarise times to attend property inspections in your local area.	<input type="checkbox"/>
5	Gather information about what worked well and what didn't in respect to the property presentation – this will help you with your own property.	<input type="checkbox"/>

*** The next page is an action plan template which you can print and use for all your action plans. ***
