

Snowball Challenges

While Standing on Your Spot can you:

1. Throw your snowball up in the air and catching it while standing on your spot:
2. How many catches can you count before the snowball beanbag drops?
3. Can you clap before catching the snowball?
4. Can you clap under your leg before catching the snowball?
5. Can you turn around before catching the snowball?

Extra Challenge:

This time the elves can walk around the playing area, throwing the beanbag up in the air and catching it. Count how many catches you complete while walking.
