

# Lecture 1 – A simple tree with volume

### BE AWARE OF YOUR 'LIGHT SOURCE'

#### SIMPLE TRICK: LIFTING

- 1. Make the area wet again
- 2. Lift the colour with a dry brush
- 3. Repeat until you are satisfied

NOTES	

## The Never Ending Workshop

#### TWO SIMPLE BUT APPEALING TREES

Below each lecture you can put in the comments:

- Your questions
- Your sketches that are related to the lecture
- Any suggestions.

I would love to see your feedback! Use hashtag #neverendingworkshop on social media, so fellow sketchers can find you.

Happy sketching,
