# Tips and Techniques

**Subtle energy methods developed at Little Farm, Pleasant Grove, Utah**

Lutie Larsen
Experimental Manual for Farmers - WiseWoman Ventures · **February 10, 2017**

*Somehow in our culture we have turned our attention*
*to what is wrong instead of what is right.*

*If we truly want to make a change in our farming*
*we must move on to better yields, higher quality, healthier soils;*
*and leave the weeds, the bugs, the plant dis-eases behind.*
