Draw some scenes from a day in your life.

Write a title on the picture frame. It could be a special day in your life, a birthday, or even a day in your future.

Slide the picture strip through the frame to see how the day the changes from morning to night.

Tell a story about this day in your life! Use some of the words below:

daytime	tomorrow	morning
night-time	before	afternoon
yesterday	after	
today	next	

Instructions (adults):

- 1) Cut out the day time and night time strips
- 2) Cut this page along the dotted line and slice along the dotted lines inside the picture frame
- 3) Glue the tab of the daytime strip to the night time strip, then feed the strip through the frame.
- 4) Glue the tab of the night-time strip to the daytime strip
