

Common Filler Sentences to Avoid

Everyone does it. Puts in niceties, otherwise known as filler sentences that they think set the scene or even butter the person up. What it does is waste time and let the person know you might be spamming this out. Get to the point, and respect their time and yours. The average attention span is about 12 seconds. Say what you need to say, to grab their attention.

1. Hey, how are you doing?
2. You do really impressive work
3. I'm sure you're so busy so I'll be quick
4. I know you get tons of messages
5. I came across your profile and loved it
6. I hate feeling like a pest, but I had to message you again
7. I hope you're having an amazing day
8. I hope this message finds you well
9. I stumbled across your profile
10. You appear to be a fit
11. Not sure if you're on the market, but I figured I'd reach out anyway
12. I hope you'll give me the chance to work with you
13. Don't stop reading, I promise this message will be worth it
14. I wanted to take a moment to tell you a bit about myself
15. How are things going at (company)?

Which ones will you need to be more mindful of?
