THE HAPPINESS RETREAT

Announcement: 3 Days Happiness Retreat

BSR Sir before starting today's topic, calls for a powerful round of celebrations and his Signature Move. Sir shares some inspiring Testimonials received during the workshop.

BSR Sir talks about 4 powerful skills that must be mastered by everyone in today's world.

Shift towards Leadership or Entrepreneurship.

- 1) People Handling Skills
- 2) Selling Skills
- 3) Presentation skills/Communication skills/Public Speaking Skills
- 4) Networking Skill

BSR Sir speaks about that one powerful reason that is enough to make you perform every moment of your life. He calls it an Umbrella **VISION**.

A 65 years old woman who needed money for husband's treatment, participated in a marathon and won 1st prize.

Chandro Tomar(Shooter Dadi) and Prakashi Tomar at 85 yrs of age won medals. Age doesn't matter, only 1 reason is enough to perform.

Story: BSR explains the power of this one reason required to perform with a story. Aamir was a City Bus driver. He was short heighted, very lean, and drove a city bus daily on a particular route. Around 8 AM, Mahesh, a tall strongman climbs the bus. Suresh the conductor asks money for the bus ticket, he replies "big Mahesh never pays". Around 15 days the same repeated. Aamir controlled his anger and one day he took leave for 3 months. After 3 months of exercise and gymming, Aamir returns with a muscular body with a lot of strength required to deal with that "Big Mahesh". He got this 1 reason for transformation otherwise he was lean from years and would have not made his body strong if he did not have that 1 solid reason to perform.

Sir explains that we can perform better but we give up because we don't get 1 solid reason to perform. Reason should come first then action later. A common man requires reasons for every small activity or skill. It is very difficult to get into action by itself. Here BSR Sir shares a shortcut and speaks about that one powerful reason that is enough to make you perform in every moment of your life. It pulls you without much effort. He calls it an Umbrella **VISION**.

SHORTCUT: Discover your VISION. Sir explains the difference between "Sarpa Drishti" and "Garud Drishti". One must foresight 25 years later. Great Leaders and Visionaries have a VISION that pulls every single day, every moment to perform without much external effort.

In the previous episodes of this workshop, Sir shared the Baby Elephant Story that tells that we do not know our potential due to the programming of our Subconscious Mind.

Hence DISCOVER YOUR VISION.

Congratulations to the lucky winners

Day 14 will learn
