ACADEMIC

Teaching is the best learning strategy

When you teach you become a better student

You are sharpening your brain

You are making this subject more accessible to yourself

You become more confident in the subject

You become more comfortable with the subject

AUTHORITY FIGURE

Becoming a tutor means you are now in a position of power

You have the skill and education (or you are claiming to have them)

People will believe what you say and what you do

An authority figure and a leader are not the same thing

LEADER

A leader believes in their people

A leader wants to ensure their people's success

They believe that when their students succeeds they succeed

"A leader is not determined by rank."

MENTOR

Tutoring = Mentoring

You are a friend

You want to see them succeed

You teach your student all you know

WHAT WE LEARNED

Tutoring can give you supplemental income

Tutoring makes you an even better academic

Authority Figure \neq Leader

A Leader wants their people to succeed
