

Truly Majestic Affiliate Program

Intro – (for those who aren't familiar with affiliate programs)

Affiliate programs are a way to earn money by promoting someone else's products. In this case if you promote any of Truly Majestic's courses by recommending them to family or friends or sharing them on facebook groups or anywhere else you may hang out and interact with craft minded people you'll receive a percentage of each sale from anyone that has bought the course through your personal link.

Please read on for more details.

FAQ's

Who can be an affiliate? – Anyone! Yes, that's right, you don't have to buy one of my courses or even go through my free course to be an affiliate. To become an affiliate simply send me your name and email, and ask to be an affiliate. You'll get a confirmation email from me which will prompt you to set up your free affiliate account on teachable.

You can email me directly Stacy@TrulyMajestic.com Although I try to handle emails daily, sometimes things are too busy to keep on top of, so please allow up to 3 days before you get a confirmation email.

How long do the cookies last? – 365 days ... this means if someone clicks on your link and just looks at the course, but doesn't buy, you'll still get paid if they choose to buy it at a later time as long as they buy it within 365 days of clicking on your link. Most affiliate programs only have a 30 day window for cookies, but I've set mine to the maximum days I can with the program I'm using because I love rewarding anyone who's taken the time to pass on info about my courses.

The only other reason you might not get paid for a sale is if the person who has clicked on your link, later on clicks on another person's affiliate link and then buys. The last affiliate link that gets clicked on before a sale is the one that receives credit for that sale.... The chances of this are a bit slim since my courses aren't yet world famous!

What percentage of each sale do I get paid? – You get paid out 40% of each sale that comes through your link!

How soon do I get paid after a sale is made? – You'll get paid approximately 30 days AFTER the end of the month payouts are processed. Teachable always pays out on the 1st of the month or the next business day.

More info – Please bear in mind that all my courses come with a 30 day money back guarantee so even though a sale is showing on your dashboard, you'll have to wait 30 days after the sale to know for sure you'll be credited with that sale in case by any chance the customer wants a refund.
